Implementation shall be effective as of the date approved by the Board of Supervisors.

ARTICLE 3      TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 2, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2003. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2006.

**ARTICLE 4**      **RENEGOTIATION**

In the event either party hereto desires to negotiate a successor Memorandum of Understanding, the party shall serve upon the other during the period from June 1 through June 15, 2006, its written request to commence negotiations as well as its initial written proposals for such successor Memorandum of Understanding. Both parties to this Memorandum of Understanding shall provide their full and complete proposals regarding this Memorandum of Understanding to the other no later than July 15, 2006. Negotiations shall commence no later than July 1, 2006.

**Section 2.            Physician Service Assignments**

- A.     A Physician, Post Graduate, shall have the approval of his Chief of Service to participate in Physician Service Assignments.
- B.     The Chief of Service shall not unreasonably withhold approval.
- C.     These assignments shall be limited to 96 hours per month.
- D.     There shall be no substantial change in the current practice of Physician Service Assignments.

If there is a substantial change it will be subject to the meet and confer in good faith process.

- E.     Physicians, Post Graduate II or higher performing in a "Physicians Service Assignment" shall receive the re-numeration established in the Physician Pay Plan of the Los Angeles County Code.

**Section 3**

The parties having jointly reviewed and considered available salary and wage information data, agree that the recommended salaries set forth herein were negotiated in good faith, and that said salaries were determined independently of race, gender, age or national origin.

Section 4.

Members of this bargaining unit will advance along a predictable progression of Physician Post-Graduate years, one year for every year of training in an accredited training program. The members will receive the salary associated with the PPG level of their primary training program. Individuals who transfer into another primary training program or select a secondary training program will receive that salary that is identified with the entry level of that specific training program as determined by management. Under no circumstances will a resident be paid higher than PPG - VII, as identified in this Memorandum of Understanding.

All residents in the LAC+USC six-year Oral and Maxillofacial surgery Program will be paid at the PGY 3 level in their fifth year of training and advance to the PGY 4 level in their sixth year of training.

Section 5.

In cases where a member of this bargaining unit, who is in an accredited training program, is requested or recruited to function in a Chief Resident position, the Physician Post-Graduate shall receive a bonus of \$265.00 for each full month, not to exceed 12 months, served in this position. The bonus shall be paid in one lump sum at the conclusion of the assignment. To qualify for this bonus the Chief Resident must perform functions including but not limited to: scheduling, clinical supervision and education of Physician Post-Graduates involved in a training program and not simply as a requirement of the program.

**Section 6.**

It is understood that in some departments physicians that complete resident training continue on physician post-graduate items to supervise residents still in training. The Department of Health Services will continue to pursue the appropriate allocation and funding of these non-resident items.

**ARTICLE 7**      **QUALITY PATIENT CARE FUND**

In recognition of Residents foregoing pay raises in a previous contract, the Department of Health Services, and Chief Administrative Office will recommend to the Board of Supervisors that a fund, to be identified as the JCIR Quality Patient Care Fund, be established within the Department of Health Services effective on the date of Board approval of this Agreement. The amount of the JCIR Quality Patient Care Fund will be \$2,200,000 each year for fiscal years 2003-04; 2004-05; and 2005-06. The \$2,200,000 will be appropriated by relative employee size of the three institutions as follows: \$1,210,000 for the use of LAC+USC Medical Center house staff; \$495,000 for the use of Martin Luther King Jr./Drew Medical Center house staff; and \$495,000 for the use of Harbor/UCLA Medical Center. All funds must be spent in the fiscal year of allocation.

This fund shall be inviolate and free from assessments, freezes, impounds or deferrals, and may be used only for improved quality of patient care.

The Director of the Department of Health Services shall have direct control of the fund. During the term of this Memorandum of Understanding, all of the committees provided in 2 and 3 below shall meet as a "Steering Committee" and by mutual agreement allocate funds to the institutional level, taking cognizance of all recommendations. Funds allocated to the institutional level will be administered as follows:

1. Authority to commit and expend the funds will be vested in the institutional administrators.

2. The institutional administrator shall appoint a "Team." Medical Directors, physician service chiefs and director of patient care services may be appointed to this Team. This Team shall not exceed five in number.
3. Interns and Residents at each institution shall convene and designate a "Team". This Team shall not exceed five in number.
4. When issues involve Preventive Health, Mental Health, Nursing and Ambulatory Care needs, representatives from these areas shall participate in the discussions.
5. Mutual agreement of the teams at each institution listed in 2 and 3 shall be required to initiate the authority to expend as provided in 1 above.
6. The JCIR shall submit its list of requested patient care equipment for that fiscal year to the institutional Chief Medical Officer by February 28. By meeting this due date, it shall be deemed that the JCIR has met the requirements for committing the allocation to the Patient Care Fund. The institution shall, within 30 days from the date of receipt, discuss problem requests with the JCIR. Where the County is able to obtain equipment for less than the JCIR's initial estimate, Management and JCIR shall, as soon as possible, mutually agree to spend the savings.

If JCIR fails to meet this due date, the institution allocation shall be transferred to the institution administrator to purchase patient care equipment.

7. The JCIR shall obtain estimates and information only, and shall not commit or negotiate prices, services agreements, or training costs with vendors. The items recommended shall be processed through the County's normal County purchasing procedures.

The Los Angeles County - USC Medical Center, Harbor - UCLA Medical Center and Martin Luther King, Jr.-Drew Medical Center will provide a monthly Patient Care Fund status report, utilizing the King-Drew Medical Center report format, to the President of the Interns and Residents at each hospital, the Patient Care Fund Vice-President at each hospital and to the designated representative of the JCIR.

Upon completion of their term as Physician, Post Graduate (second through seventh year), a lump sum payment may be paid for such accrued time not to exceed 40 days.

Proper and timely notification is necessary for orderly vacation scheduling. When a vacation is to cover more than seven (7) continuous days, the Physician must submit the request for that vacation at least 30 days in advance of the beginning date. In special situations, if approved by the Chief of Service, vacation may be granted for less than one week intervals.

Both parties recognize that arrangements for taking time off must reflect patient care responsibilities and that the ultimate decision regarding the scheduling of vacations shall rest with the Chief of Service. Vacations, however, must be scheduled within the contractual period.

When a member of this Unit is prevented from working his regular assignment as a result of a holiday, he may be reassigned to another work location for that day. If he is not reassigned his pay or vacation will not be charged.

**ARTICLE 13**      **IMPROVEMENT SUGGESTION PROGRAM****Section 1.**

Both parties agree to the establishment of an Improvement Suggestion Program which both parties agree will be utilized to bring to the attention of each hospital's administration and the Department problems and recommendations to improve patient care at the County hospitals. It is understood that the members of this Unit and their working conditions directly impact on the medical care provided to the patients and are therefore in a position to offer suggestions which would improve patient care.

This Improvement Suggestion Program shall not prevent any member of this Unit from using other appropriate recourse to redress grievances.

**Section 2.**      **Procedures**

1. All suggestions shall be submitted on a form jointly agreed upon by both the Department of Health Services and the JCIR.
2. The improvement suggestion form shall be filed with the JCIR.
3. The JCIR will review the suggestion and if, in its opinion, the suggestion warrants further exploration, the JCIR shall forward the suggestion to the hospital administration.

4. Hospital administration will expeditiously consult with the appropriate individuals to obtain a further understanding of the suggestion.
5. Hospital administration will expeditiously consult with the JCIR.
6. If the JCIR is not satisfied with the response of hospital administration, they will refer the suggestion to the Director of Health Services. In referring the suggestion to the Director, the JCIR will include a statement as to why they are not satisfied with the response from Hospital Administration.
7. The Director of Health Services and/or his designee shall consult with the JCIR within 10 working days within receipt of the suggestion.
8. The Director of Health Services shall have the option of convening a committee of experts, which shall include representatives of the JCIR, to investigate the suggestion and to make recommendations to the director. The committee shall meet expeditiously and submit its recommendation within 20 days unless an extension is granted by the Director.
9. Members of this Unit may not grieve and the JCIR may not refer to arbitration, any suggestion which Management does not implement if Management complied with the Improvement Suggestion Program procedures as stated above.

Section 3.

County and the JCIR will make every best effort to hold monthly communications meetings at a mutually acceptable time, date and place at Harbor/UCLA Medical Center, LAC/USC Medical Center and Martin Luther King-Drew Medical Center for the duration of this contract.

Section 4.

1. Both parties recognize the desirability of maintaining work schedules consistent with optimum patient care. In the interest of maintaining quality patient care and the health and safety of house-staff both parties agree to the establishment of departmental committees at each of the three Medical Centers for the purpose of studying and making recommendations to their hospital administration on the issue of work schedules. The committees will address the following areas:
  - Consecutive work hours/rest periods
  - On call frequency/schedules
2. The departmental committees shall include JCIR representation.
3. The recommendations of the respective committees shall be advisory to the respective Medical Centers.
4. In accordance with Section 6.12.020(D) of the Los Angeles County Code, it is recognized that Interns and Residents routinely work more than a basic 40 hours

in any one calendar week without compensation or time off for such overtime worked. As a result, JCIR desires to establish a mechanism at each of the three medical centers to better document the hours worked by Interns and Residents above the minimum standard number of required hours. Therefore, Management agrees to the establishment of committees at each of the three medical centers comprised of Hospital Administration and facility JCIR members in an effort to find a mutually acceptable mechanism of better documenting the actual hours worked by Interns and Residents.

Within 60 days of the implementation date of this agreement, the JCIR at each of the three medical centers shall submit to their respective Management their proposal for establishing a mechanism to better document the actual hours worked by Interns and Residents at their particular medical center.

Within 60 days of receipt of the JCIR's proposal at each respective medical center, the Management/JCIR Committee shall meet as a whole in an effort to find a mutually acceptable mechanism of better documenting the actual hours worked by Interns and Residents.

#### Section 5.

Both parties agree that house-staff will be represented on the appropriate AIDS related task force/committees which have been or will be established at each of the three Medical Centers.

Section 6.            Patient Relationships

- A.    At the Los Angeles County-University of Southern California Medical Center, Harbor - UCLA Medical Center and Martin Luther King, Jr. - Drew Medical Center, Physicians, Post Graduate, have historically been given a role of immediate and continuing responsibility for patient diagnosis and treatment, always under the ultimate responsibility and authority of the attending physicians and Chief of Service. Management agrees that it will maintain such relationships regardless of the source of patient fiscal responsibility (private or public resources).
  
- B.    Programs which expand the training of Physicians, Post Graduate, into areas currently not utilizing these personnel -- e.g., neighborhood health care facilities -- shall conform to the Essentials of approved Internship and Residencies per the Liaison Council on Graduate Medical Education of the American Medical Association.

## ARTICLE 14        GRIEVANCE PROCEDURE

### Section 1.        Definitions

### Section 3.        Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.

2. Any level of review, or any time limits established in this Article may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.

3. The parties agree that there have been instances during the life of the present contract that grievances filed at various facilities have not moved forward within the time lines established under Article 14, Grievance Procedure. Both parties further agree that the problems occurring are in the application and observation of the time lines. Therefore, in an attempt to eliminate a continuation of these problems, the parties agree:

- a. All grievances and responses will be filed on a standardized form with the Office of Human Resources Management (HRM), 5555 Ferguson Drive, Room 120-15, Commerce, CA. The new form will include an original plus four (4) copies as follows: 1) Department Supervisor, 2) DHS Representative, 3 ) JCIR, and 4) Grievant.
- b. If management requests an extension of the time lines but cannot gain concurrence from the grievant, then the Office of Human Resources Management will contact the parties (House staff Officer, JCIR and Management) no later than 24 hours prior to the end of time lines regarding a request to extend the time frame. After hearing input from all concerned, the HRM representative will decide to grant or deny the request and notify all parties.
- c. The Office of Human Resources Management will generate a quarterly report showing:
  - Number of grievances filed (by facility)
  - Number resolved
  - Number outstanding
  - Number failing to meet time lines, and
  - Number of extensions granted.

- d. Within 30 days of implementation of this MOU, Management and JCIR will convene a committee of representatives from DHS and JCIR, comprised of no more than four (4) representatives per party, to develop guidelines and forms for time line extensions.
- e. Should JCIR fail to meet the established time deadlines, then the grievance shall be dropped. Should the County fail to meet the established deadlines, then the employee is automatically granted the right to process the grievance to the next level.

## Section 5.            Procedure

### 1. Informal Complaint

- A. Within five (5) business days from the occurrence of the matter on which a complaint is based, or within five (5) days from his knowledge of such occurrence, an employee shall discuss his complaint in a meeting with his immediate supervisor (as specified in Section 2).

The employee shall submit two copies to his immediate supervisor (as specified in Section 2) and retain the third copy.

Section 6. Arbitration

- 1. Within ten (10) business days from the receipt of the written decision of the departmental Medical Director, or his designated representative, the JCIR, or JCIR on behalf of an employee whom it has represented in the processing of this grievance, may request that the grievance be submitted to arbitration as provided for hereinafter.
- 2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:

- A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances, adopted by County's Board of Supervisors; unless the arbitrator, in his discretion finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
  
- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Commission Rules, nor matters under the jurisdiction of said Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, suspensions, transfers, classification actions, performance evaluations, and similar matters within the jurisdiction of said Civil Service Commission; nor
  
- C. The interpretation, application, merits or legality of the rules or regulations of the department head, the Department of Personnel, or any other County Department, agency, or commission or any rule or regulation of the Hospital or any affiliated university, unless the arbitrator, in his discretion, finds it necessary to interpret, or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.

- D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986.

In the event the JCIR, on behalf of any employee whom it has represented in the processing of this grievance, desires to request that a grievance, which meets the requirements of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Director of Personnel and to the County Department Head or officer affected, which written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.

3. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that the Commission provide the parties with a panel of five names from which the parties will select an arbitrator by alternately striking one name each from the panel until there is one arbitrator who will be deemed to be the mutually acceptable arbitrator and be appointed as above.

If after five days the parties cannot agree on an arbitrator, the parties will request the Employee Relation Commission to appoint the arbitrator.

4. Arbitration of grievances hereunder will be limited to the formal grievances as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
5. Prior to a hearing by an arbitrator, a representative of the County and the Joint Council shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

- 6 The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
7. The decision of the arbitrator shall be binding upon the JCIR. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within 60 days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The JCIR may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.
8. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:
  - Recognition
  - Implementation
  - Term
  - Renegotiation
  - Authorized Agents
  - Provisions of Law

**ARTICLE 15**      **GRIEVANCE MEDIATION**

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 14, Grievance Procedure.

3. After completion of the third level of the grievance procedure and by mutual agreement, either management or JCIR may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, JCIR and the grievant. The final agreement shall be binding on all

parties. Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

**ARTICLE 16**      **EXPEDITED ARBITRATION**

1. This is an alternate to the procedure set forth in Section 6, Arbitration, of Article 12, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
  - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
  - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established

procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination; nor

C. The interpretation, application, merits or legality of the rules or regulations of the department head, the Department of Personnel, or any other County department, agency or commission, unless the arbitrator, in his discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.

4. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:

A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.

B. The parties agree that 1) there will be no representation by counsel and 2) there will be no post hearing briefs.

5. The arbitrator selected shall hear the grievance(s) within 10 working days of his selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
6. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
7. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
8. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
9. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

10. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.
11. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:
  - Recognition
  - Non-Discrimination
  - Implementation
  - Term
  - Renegotiation
  - Safety and Health
  - Payroll Deductions and Dues
  - Leave of Absence for Union Business

The JCIR agrees that whenever investigation or processing of formal grievances is to be transacted during working hours, only that amount of time necessary to bring about a prompt disposition of the matter will be utilized. Representatives, when leaving their work locations to transact such investigations or processing, shall first obtain permission from their immediate supervisor and inform him of the nature of the business.

Permission to leave will be granted within a reasonable time unless such absence would cause an undue interruption of work. If such permission cannot be granted, the representative will be informed when time will be made available. Such time will not be more than (24) hours, excluding Saturday, Sunday and legal holidays after the time of the representative's request, unless otherwise mutually agreed to. Prior to entering other work locations, the representative shall inform the cognizant supervisor of the nature of the representative's business.

Such payment shall be due and payable within thirty (30) days from the day of billing.

Upon the JCIR's request, the County will provide the list of names of all employees in the Unit in computer-type format following the JCIR's payment to the County of an initial \$500 programming fee.

Management will make available to each new employee entering the Unit a card furnished by the JCIR written as follows:

ARTICLE 21      PERSONNEL PRACTICESSection 1.

Effective April 1984, payroll warrants, including base pay, bonuses, overtime, or any other compensation, will be issued once a month, on the 15th day of the month, for work performed during the previous calendar month. If such day falls on a Saturday, Sunday, or holiday, the payday shall be the immediately preceding regular work day. Employees may opt to receive pay twice a month, including the Earned Salary Advance (ESA), as at present, provided they participate in the Direct Deposit Program, in which the Auditor-Controller automatically deposits the entire semi-monthly net pay directly into the employee's checking or savings account at the bank, savings and loan, or credit Union of his choice. Such deposits will be made on or before the 15th and 30th days of each month.

Section 2.

Effective April 1, 1984, any employee who is paid on a monthly basis, and who is not on the Direct Deposit Program, may receive not more than one emergency ESA warrant during any calendar year upon presentation of documentary proof of a bona fide emergency to the appointing authority. Upon request of the appointing authority, not later than the first day of the month, the Auditor-Controller shall issue an emergency ESA warrant not to exceed 50% of the employee's last regular payroll warrant, provided the appointing authority certifies that the employee has sufficient time worked and/or accrued time on the books to cover the period for which the advance is made. Such warrant shall not be issued prior to 15 days after the last regular payday, and the

amount of such warrant shall be deducted from the next regularly issued payroll warrant. Emergency warrants will be issued within 5 working days after receipt of the request by the Auditor-Controller.

### Section 3.

Effective April 1, 1984, an employee who is not on the Direct Deposit Program may be paid a salary advance upon the certification of the employee's department head that such employee will be on an approved paid leave of absence of at least 10 consecutive working days extending over a regularly established payday and has sufficient time worked and/or accrued time on the books to cover the entire period for which the salary advance is made. House staff participating in residencies who do not receive written notice in a timely manner will be renewed for the next postgraduate training year.

When a pyramidal residency program exists, all applicants will be informed prospectively of the pyramidal program. Descriptive materials sent to applicants will so state when a program is pyramidal.

Section 7                      Leaves of AbsenceA.      Medical Leave

Pursuant to applicable provisions of the Civil Service Rules, County Code, and other law, medical leaves of absence will be granted by the employee's Department Head, upon request only upon submission of a doctor's certificate or other satisfactory medical evidence of the employee's need for such leave.

**B. Pregnancy Leave**

The parties agree that departmental management shall grant a leave of absence without pay to any full-time employee who becomes disabled as a result of pregnancy, which disability prevents her from performing the duties of her position. Such leave must be requested in writing by the employee and will be granted pursuant to ACGME Guidelines, Civil Service Rules and such procedures as are determined by the Director of Personnel and by the department head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time employee disabled as a result of pregnancy, which disability prevents her from performing the duties of her position as certified by her primary care giver (physician, nurse practitioner or nurse mid-wife), may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury. Additionally the employee may use accrued vacation, holiday or compensatory time when on an authorized pregnancy leave of absence during such period of disability.

**C. Family Leave**

The parties agree that employees covered by this MOU are subject to the provisions of the State Family Rights Act of 1991 and the Federal Family and

Medical Leave Act of 1993. Nothing in this Section is intended to provide additional benefits beyond what is mandated by Federal and/or State law.

The parties agree that within sixty (60) days of implementation of this contract, upon the request of the employee, the County shall provide the employee with a summary of the County of Los Angeles Family Leave Policy Guidelines.

An employee shall be entitled to file a grievance for violation of the provisions of this Section in addition to the rights provided by law.

The County shall inform and education all supervisors, Program Directors and Department Chairs regarding policies and procedures pertaining to leaves of absence as applied to house staff officers.

**ARTICLE 22**      **CONTRACTING OUT AND TRANSFER OF FUNCTIONS**

In the event the County enters into discussions with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit, the County will 1) advise such public or private entity of the existence and terms of this Memorandum of Understanding, 2) within 2 weeks advise the JCIR of the discussions, and 3) consult with the JCIR regarding the subject matter of the discussion.

ARTICLE 23            PAYROLL DEDUCTIONS AND DUES

Section 1.            Deductions and Dues

It is agreed that Union dues and such other deductions as may be properly requested and lawfully permitted shall be deducted, in accordance with the provisions of applicable State law, monthly by Management from the salary of each employee covered hereby who files with County a written authorization requesting that such deductions be made.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2.            Security Clause

Any employees in this Unit who have authorized Union dues deductions on the effective date of this agreement or at any time subsequent to the effective date of this agreement shall continue to have such dues deduction made by the County during the term of this agreement; provided, however, that any employee in the Unit may terminate such Union dues deduction each year during the period August 1 to August 15, by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

### Section 3.            Agency Election

If 60 percent of the employees represented by this Unit are dues paying members of the Union, the Union shall have the right to conduct a secret ballot election at any time of its choosing during the term of this Memorandum of Understanding to determine whether a majority of the employees in the bargaining unit covered by this agreement are in favor of an agency fee agreement provided in G.C. 3502.5(a). This election shall be administered by the Employee Relations Commission (ERCOM). The ERCOM shall notify the County and the Union of the result of the election. The Union shall be responsible for the cost of the election.

The parties will encourage ERCOM to establish election procedures which are designed to produce the maximum possible participation in the election. However, if less than 20% of the employees in the bargaining unit vote in this election, agency shop shall be deemed rejected. If at least 20% of the employees in the bargaining unit vote, and a majority of those voting do vote in favor of an agency shop, then the Union shall notify the County, and the County shall immediately thereafter notify all employees in the bargaining unit that they will then be required, as a condition of continued employment, either to join the Union, pay a Fair Share Fee equal to Union dues or pay the Union an Agency Fee as provided in G.C. 3502.5(a).

### Section 4.

If at least 20% of the employees in the bargaining unit vote, and a majority of those voting do vote in favor of an agency shop, then the following provisions of this Section 4 shall apply:

A. Agency Shop Defined

It is mutually agreed by the parties that the term "agency shop" means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization; or pay the organization a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code for the duration of this agreement, or a period of three years from the effective date of this agreement, whichever comes first.

B. Religious Objections

An employee who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

C. Agency Shop

It is mutually agreed by the parties that this Unit is an agency shop Unit.

D. Rescission

It is mutually agreed by the parties that the Agency Shop provisions in this agreement may be rescinded by a majority vote of all the employees represented by this Unit under procedures established by the Employee Relations Commission. In the event such rescission should take place, then the procedures as described in Section 1 and 2 shall prevail. There shall be only one election during the term of this agreement.

E. Union Responsibilities

The Union shall keep an adequate itemized record of its financial transactions and shall make available annually to the County and to all Unit employees, within sixty (60) calendar days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an operating statement, certified as to its accuracy by its president and the treasurer or corresponding principal officer, or by a certified public accountant.

The Union certifies to the County that within thirty (30) days of the effective date of this agreement, it shall adopt, implement and will maintain constitutionally acceptable procedures to enable non-member Agency Fee payers to meaningfully challenge the propriety of the uses to which Agency Fees are put. Those procedures shall be in accordance with the decision of the United States Supreme Court in *Chicago Teachers Union, Local No. 1, AFT, AFL-CIO et al. v. Hudson*, 106 S. CT. 1066 (1986).

F. Implementation

Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this Article, shall be provided, through the employee's department, with a notice advising that the County has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union; pay a Fair Share Fee equal to union dues; or pay an Agency Shop Fee to the Union; or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees, or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within thirty (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

G. List of New Employees/Separations

The County will furnish the Union with a monthly list of new employees/separations at the cost established by the Auditor-Controller for processing and photocopying documents. The list shall contain the name, date of hire into the Unit, salary, classification, and work location of all employees who enter the Bargaining Unit and are subject to this agreement.

Such list shall include new hires and employees promoted, demoted or transferred into the Bargaining Unit. The monthly list shall also contain information which includes the names and effective dates of employees leaving this Bargaining Unit.
